### MY BIO BY WINEMAKER JORDAN FIORENTINI

---

Blended elegance. Like Scarlett Johansson in a straight jacket, the 2013 Veracity is barely revealing her obvious yet masked potential. If ever people say Grenache is not a serious grape, make them try this wine! Cellaring and decanting is not just for beefy Syrahs and Cabernets; with its bright acid backbone and vibrant peppery structure, the newest Veracity vintage is begging for patience. Earthy, foresty Mourvèdre grounds the boisterous fruit and adds weight and cohesion to the mouthwatering texture and chalky rock minerality.
