MY BIO BY WINEMAKER JORDAN FIORENTINI

The 2015 Authenticity represents why we love to incorporate whole clusters into our fermentations. When the stars align and the entire cluster is beautifully ripe, the resulting wine becomes so much more than the sum of its stem and fruit parts. With 35% whole cluster inclusion, this wine is a treasure that unravels with air and time. At first meaty, earthy and reductive, ethereal freshness accompanies rich yet delicate red fruit and laces the aromas and palate with peppery spice. Seekers, this wine has that “it” factor that is easier to taste than describe.

2015 AUTHENTICITY

Complexity : intricacy unfold with time + air.
 Dark : brooding at first with smoked meats,
 earth : leather opening up with tons of
 fresh white + black pepper, dark berries, cola,
 roses ; herb garden + all creating a unique
 flavor profile that defines Syrah's potential.
