TEMPRANILLO 2018

*85% Tempranillo co-fermented with Graciano,
Syrah, and Grenache for a natural boost in acidity*

97

POINTS

The 2018 Tempranillo has a deep ruby-purple color and segues from tar and graphite to black fruit, licorice, mint chocolate, cigar box and charcuterie on the nose. The full-bodied palate offers concentrated, savory fruits, generous silty tannins and fireworks of fresh acidity, finishing with tremendous length and detail. Beginning this vintage, the Tempranillo was matured for an additional 10 months in barrel—the extra aging has produced a very elegant expression!
