Biography: Starting off with savory roasted meats and herbs, the 2020 Estate Blend opens up to reveal juicy black cherry, black licorice, vanilla, violets, tar, and graphite flavors as it first flows across the upper palate. At the same time, lots of firm, thick tannins impart a more linear and serious structure to the wine, heralding the gifts cellar age will bring. Seven varieties harmonize in this wine to create a lasting impression of the unique terroir of our Paderewski Vineyard.

Wine flows across upper palate then linear tannins send sensation back to front then back again

tannins linger on upper mid and back palate
