2023 Rosé

63% Mourvèdre, 26% Grenache,
11% Syrah

Sunsetty in color and character, our 2023 Rosé is an exhale that brings instant relaxation. As aromas of juicy watermelon, lime zest, newly-mowed lawn, fresh sage, and dewy spring flowers fill the senses, flavors bring acid-driven texture to the mix, summoning wild strawberry, liquid minerals, fresh cream, banana, and sweet hay. Mouthwatering at first sniff, experience the evolution of aromas and flavors as the Rosé warms and breathes in your glass. - Jordan Fiorentini, Winemaker
