Biography:	2022 Estate Blend is a descriptive homage to all the diverse characteristics brought forth from our vineyards during the 2022 vintage – dark juicy berry fruit, lavender, leather, wet earth, tar, roasted steak, grilled herbs, licorice, and vanilla. Bold, jammy, lush, black and blue berry fruit enters the palate, flowing into a structured core built for longevity. Alongside the fruit and savory aspects, dark chocolate, coffee, and graphite notes join the expression as the wine hits the back palate and pushes sensation forward again.
