Biography:	Brisk and refreshing, the 2024 Rosé is delicate and light on its feet, tiptoeing gently across the senses with notes of sea breeze, fresh cut herbs, strawberry, pink grapefruit, white peach, lime, citrus blossom, and minerals. Zesty on the palate with balanced acidity, a delicate salinity, and light red berry and stone fruit, this Rosé will transport you to Sunday brunch or sunset appetizers with a view. Don't shy away from bold spices and flavor-packed food for your pairings – this wine can handle BBQ to oysters given its palate-cleansing and refreshing nature.
