Sensory Profile:	Mourvèdre at one of its highest percentages. Pink grapefruit, faint strawberry and apricot/peach, kefir lime, flinty minerals, and fresh cut garden herbs. With air, moves towards naval orange, honeysuckle, and delicate cherry.
Palate:	Enters round with light berry and stone fruit as it encircles front and mid palate with soft, but full texture. Bright acidity keeps the wine moving fast towards the back palate, turning it more citrus and mineral dominant. Finish lingers with a fresh, mouthwatering, citrus-pith texture.
